Forward – Looking Statements:

This Report contains forward –Looking Statements. Any, statement that address expectations or projections about the future, including but not limited to statements about the Company's strategy and growth, product development, market position, expenditures and financial results, are forward looking statements. Forward looking statements are based on certain assumptions and expectations of future growth.

Overview:

During the financial year under review the revenue from operations has decreased from Rs. 39.23 Lacs to Rs. 38.65 Lakhs

Outlook:

During the year, the main revenue was from Service Charge Income. The Company has filed application for the Merger with Flomic Freight Services Private Limited with this the Company's business will get divergence in the field of freight services which will increase the revenue of the Company.

Risk and Concerns:

Due to stiff competitions in the finance field where the company's activities are cantered in, the overall margins are always under pressure, but maintainable, with the constant effort and good services rendered by the company.

Internal Control Systems and their Adequacy:

An Audit Committee of the Board of Directors of the Company has been constituted as per provisions of Section 177 of the Companies Act, 2013 and corporate governance requirements specified by Listing Agreements with the Stock Exchanges. The Internal Audit Function is looked after internally by the finance and accounts department, and reviewed by the Audit Committee and the management at the regular intervals. The Internal Auditors Reports dealing with Internal Control Systems are considered by the Audit Committee and appropriate actions are taken, whichever necessary.

Analysis of Financial Conditions and Results of Operations:

The Financial Statements have been prepared in accordance with the requirements of the Act, Indian Generally Accepted Principles (Indian GAAP) and the Accounting Standards as prescribed by the Institute of Chartered Accountants of India.

The Management believes that it has been objective and prudent in making estimates and judgments relating to the Financial Statements and confirms that these Financial Statements are a true and fair representation of the Company's Operations for the period under review.

Development on Human Resource Front:

At Vinaditya Trading Co Ltd our human resource are critical to our success and carrying forward our mission.

With their sustained, determined and able work efforts we were able to cruise smoothly through the hard time of the economic volatility and rapidly changing market conditions.

The requirement of the markets given the economic scenario has made this even more challenging.

Attracting newer talent with the drive, training and upgrading existing skill sets and getting all to move in a unified direction will definitely be a task in the Company. After the approval of the proposed scheme of amalgamation with Flomic Freight Services Private Limited, workforce of the Company will be increased to a larger extent along with the benefit of diversification in a new line of freight carriage business.

Plans to execute the mandate on this count are already underway and we should see it impacting the results from the third quarter of the next financial year.

By creating a conducive environment for career growth, the Company is trying to achieve the maximum utilization of employee's skills in the most possible way.

There is a need and the company is focused on retaining and bringing in talent keeping in mind the ambitious plans despite the market and industry scenario.

The Company also believes in recognizing and rewarding employees to boost their morale and enable them to achieve their maximum potential. The need to have a change in the management style of the Company is one of the key focus areas this year.

Industrial Relations:

Industrial Relations throughout the year continued to remain very cordial and satisfactory.

Cautionary Statement:

Statements in this Management Discussion and Analysis describing the company's objectives, projections, estimates and expectations may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those either expressed or implied. Important factors that could make a difference to the Company's operations include change in government regulations, tax regimes, and economic developments within and without India.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of **VINADITYA TRADING COMPANY LIMITED**

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the attached standalone financial statements of **VINADITYA TRADING COMPANY LIMITED** ("the Company") which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit & Loss and the Cash Flow Statement for the year ended on that date and a summary of Significant Accounting Policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. his responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the standalone financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on standalone financial statements.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2(f) under "Report on other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Vinaditya Trading Company Limited** ("the Company") as of 31 March, 2018 in conjunction with our audit of standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors

of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

DATE : MAY 30, 2018 **COMPANY SECRETARY**

Notes forming part of the Financial Statements for the year ended March 31st, 2018**NOTE: 1 - SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2018:****Statement of Compliance**

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015. These statements are Company's first financial statements prepared in accordance with Ind AS and Ind AS 101: First time adoption of Indian Accounting Standards has been applied.

An Explanation and effect of transition from Indian GAAP (referred to as "Previous GAAP") to Ind AS has been described in note 23 to these financial statements.

Basis for preparation of financial statements

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

In estimating the fair value of an asset or liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 Share-based Payment, leasing transactions that are within the scope of Ind AS 17 Leases, and measurements that have similarities with fair value but are not fair value, such as value in use in Ind AS 36 Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data

Use of Estimates

The preparation of financial statements requires management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amount of income and expenses during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. These estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

Critical Accounting Estimates**a) Property, plant and equipment**

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life. The policy for the same has been explained under Note 1.4.

b) Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. The policy for the same has been explained under Note 1.14.

c) Impairment of investments

The Company reviews its carrying value of investments annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. The policy for the same has been explained under Note 1.7.

d) Provisions

Provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. The policy for the same has been explained under Note 1.17.

e) Extraordinary and exceptional items

Income or expenses that arise from events or transactions that are clearly distinct from ordinary activities of the company are classified as extraordinary items. Specific disclosures of such events / transactions are made in the financial statements.

Property, plant and equipment

Property, Plant & Equipment and intangible assets are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction / installation stage.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is charged based on straight line method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The estimated useful lives and residual values of the Property, Plant & Equipment and Intangible assets are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets costing up to Rs. 5,000 are fully depreciated in the year of purchase except when they are part of a larger capital investment programme.

An item of Property, Plant & Equipment and intangible assets is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant & Equipment and intangible assets are determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the profit or loss.

Investment Properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at cost model in accordance with Ind AS 16 Property, Plant and Equipment. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from disposal.

Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is de-recognized.

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

a) Finance Lease

Where the Company, as a lessor, leases assets under finance lease, such amounts are recognized as receivables at an amount equal to the net investment in the lease and the finance income is based on constant rate of return on the outstanding net investment. Assets taken on finance lease are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance costs and reduction of outstanding liability. Finance costs are recognized as an expense in the statement of profit or loss over the period of lease, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with Company's general policy on borrowing costs.

b) Operating Lease

Lease arrangements under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease rental under operating lease are recognized in the Statement of Profit and Loss on a straight line basis over the lease term.

Impairment of assets

a) Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

b) Non-financial Assets

Property, Plant and Equipment and Other intangible assets with finite life are evaluated for recoverability when there is any indication that their carrying amounts may not be recoverable.

If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset or CGU is reduced to its recoverable amount. An impairment loss is recognized in the profit or loss.

Revenue Recognition

All income and expenditure items having a material bearing on the financial statements are recognized on accrual basis except in the case of dividend income, debenture interest and interest on fixed deposits with non-banking companies & interest receivable from / payable to government on tax refunds / late payment of taxes, duties / levies which are accounted for on different basis.

Interest Income:

Interest income is recognized using effective interest rate method when there is reasonable certainty of recovery of such interest. Interest income already recognized in any of the previous year is de-recognized when there is doubt on recovery of the income. Income from services is recognized on accrual basis.

Other Income:

Dividend income is recognized when the Company's right to receive the dividend is established.

Government Grants

Government grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received.

Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognized as deferred revenue in the financial statements and transferred to profit or loss on a systematic and rational basis over the useful life of the related assets.

Grants related to revenue are accounted for as other income in the period in which the related costs which Government intend to compensate are accounted for to the extent there is no uncertainty in receiving the same. Incentives which are in the nature of subsidies given by the Government which are based on the performance of the Company are recognized in the year of performance / eligibility in accordance with the related scheme.

Government grants in the form of non-monetary assets, given at a concessional rate, are accounted for at their fair value.

Foreign Currency Transactions

The reporting currency of the Company is Indian Rupee.

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the reporting currency using exchange rates prevailing on the dates of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the profit or loss.

Financial Instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized in profit or loss.

Non-derivative financial instruments**a) Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

b) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value

Financial asset not measured at amortized cost is carried at fair value through profit or loss (FVTPL) on initial recognition, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading.

Employee benefits

The Company is having a policy of giving fixed monetary benefits (Salaries and Compensated absences) to the employees subject to the satisfaction of certain conditions such as a fixed period and the same are recognized on accrual basis. Apart from these all the benefits are recognized in the books of accounts on payment basis.

Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of Profit and Loss.

Taxation

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with the local tax laws existing in the respective countries.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income taxes are recognized in other comprehensive income or directly in equity, respectively.

Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred income tax asset are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are offset when it relates to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Earnings Per Share

Basic earnings / (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings / (loss) per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

Segment reporting

The Company identifies primary business segment based on the different risks and returns, the organization structure and the internal reporting systems. Secondary segments are identified on the basis of geography in which sales have been affected.

Provision, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance costs.

Contingent liabilities and Contingent assets are not recognized in the financial statements.

New Accounting Standards, Amendments to Existing Standards, Annual Improvements and Interpretations Effective Subsequent to March 31, 2017

Statement of Cash Flows

Ind AS 7 Statement of Cash Flows was issued in February 2015. MCA on March 17, 2017 notified the Companies (Indian Accounting Standards) (Amendment) Rules, 2017, amending Ind AS 7.

The amendments made to Ind AS 7 require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.

The amendments are to be applied prospectively for annual periods beginning on or after April 1, 2017. Earlier application is not permitted. When the amendments are first applied, entities are not required to present comparative information for earlier periods. The Company does not expect the adoption of these new and amended standards, annual improvements and interpretations to have a significant impact on its financial statements.
